Departure

### **Hike:**

We will hike from Stouhütte to [Klagenfurter Hütte](#). This will last approx. 2 hours, we will then have a late lunch at the hut. The path from Stouhütte to Klagenfurter Hütte is very easy, simple running shoes are sufficient if you do not want to bring hiking shoes. Don't forget a jacket, it can be cold at this altitude!

For those who want to hike longer, we can continue to [Bielschitzta](#) or to [Kosiak](#).

*Update 7 June 2024:* Due to the weather forecast, we change the destination for the hike to Dobratsch
