CONNECT 2024

Every year in November, the University of Klagenfurt organises the most important job and career fair in southern Austria and brings companies from a wide range of industries to the campus. Many of them are eager to meet international applicants and want to get to know you. So take advantage of this opportunity and talk to the company representatives in person. To make a good first impression, we recommend bringing your CV with you.

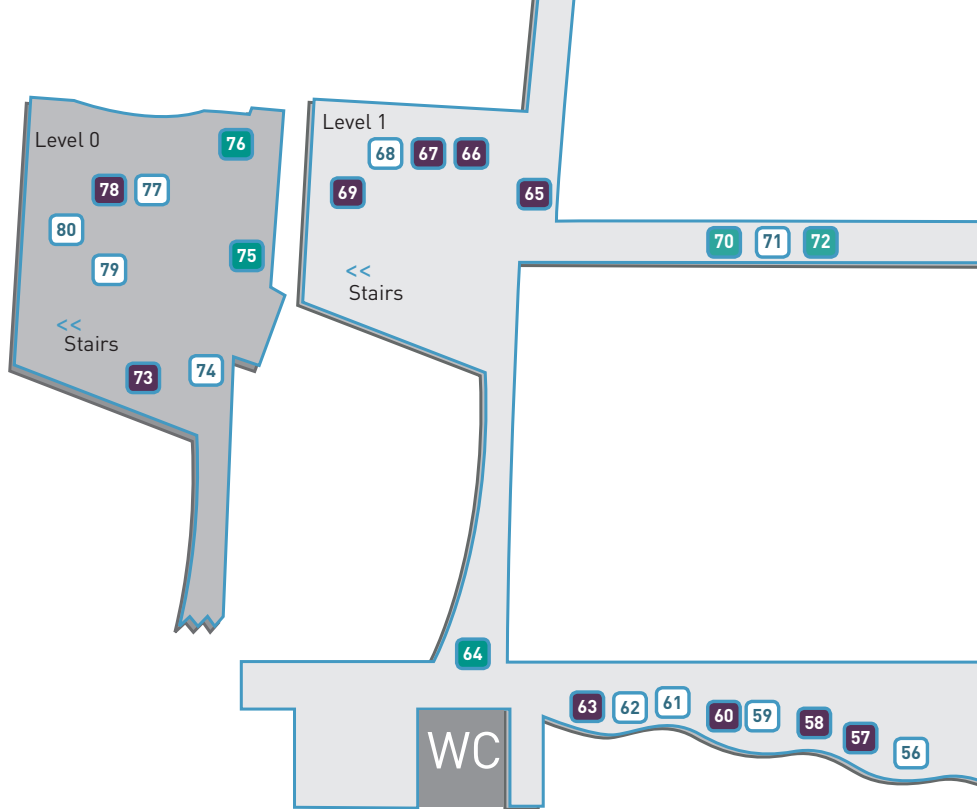

In addition to meeting various companies, you can also look forward to valuable fair specials that will prepare you perfectly for your entry into the job market.

CHECK LIST FOR A SUCCESSFUL VISIT TO THE FAIR

What can I do to prepare?

- Take part in the guidance session prior to the fair.
- Browse exhibiting companies on the website and make a note of employers that appeal to you.
- Gather additional information on companies of interest.
- Note down any open questions that can subsequently be answered during the conversation at the booth and that underline your interest in the company.
- Update your CV and if necessary prepare application documents for interesting job offers or unsolicited applications. The University's Career Services can provide valuable tips.
- Prepare a short presentation to allow you to appear confident at the job fair stand and to provide important information about yourself in a structured way.

- Check and optimise your own social media profiles.
- Make a note of interesting keynote speeches.

What should I keep in mind on the day of the fair?

- It's important to look smart and well-groomed.
- Bring your application documents and a notebook.
- Talk to people at the booths and note down important information and names of contact persons.
- Attend keynote speeches.
- Use the photo corner and have your professional application photo taken.
- Get your CV and LinkedIn profile checked.
- Scan the job wall for suitable vacancies and take a photo to aid memory.
